# WHAT'S UP?

## Did you know?

- We now have two locations! The Colonnade Shopping Center [IH-10 and Wurzbach; **877-0007**], and our original location at the Lincoln Heights Shopping Center [Broadway and Basse; **824-9600**]
- Orderup uses zero trans-fat, pure sunflower oil for our fries (cut from fresh potatoes) and chips (hand cut).
- Our pizza dough is made from scratch, hand tossed, and baked in a brick lined oven.
- Our hamburger meat is always fresh, never frozen, and hand pressed into patties every day.
- Our chicken tacos are all chicken breast marinated in a michelada marinade. (A michelada is a Mexican drink consisting of beer, worcester, tabasco, and lime).
- We marinate our steak in a sangria marinade, and our fish in a house-made chipotle marinade.
- Our coffee blends are so fresh because they're locally roasted.
